

TRAVIS MARVIN

If you need to understand the essence of middle America, empathize with the human struggle or experience that feeling of falling in love for a moment...just let Travis Marvin sing you a song. It's something about the rich tone of his voice and the sincerity in his delivery.

Travis Marvin has been a rising star in Country Music by building a grass-roots following from coast-to-coast through local and regional Country Radio. His high-energy live show is delivered with a purpose and audiences always leave with a memory and those memories turn into the songs in your heart on constant repeat.

Having toured for two years with contemporary Country Music star, Aaron Lewis, and shared the stage with Eric Church, Dan & Shay, John Rich, Lee Brice, Little Big Town, Craig Morgan, Luke Bryan, Clay Walker, Luke Combs, Cody Johnson and others... Travis Marvin is professionally comfortable on the biggest stages.
